------------------	----------------

\* Displayed fees are VAT excluded.

\*\* Starting in 2018, the fees will be indexed based on the Belgian Index, including the minimum and maximum.\*\*\* Extra services: Members can initiate a Task Force within Bioenergy Europe. The Bioenergy Europe Secretariat will help you to work out objectives, a work plan and a budget. The fees for this service are flexible depending on the expected budget and number of financing partners.

1. The annual membership fee of each member will be based on the most recent data available regarding its bioenergy turnover or membership fees.
2. The membership year runs from January 1st to December 31st of each year.
3. Membership fees are due annually at the beginning of each membership year and are payable upon presentation of the membership fee invoice.
4. Membership fees are due in one payment for each membership year and cannot be claimed back in the case of membership termination during the year.
5. Any application submitted before June 30th of the financial year implies full payment of the membership fees. Any application submitted after the 30th of June of the financial year will imply the payment of 50% of the membership fees.
